

## COMMONLY ASKED QUESTIONS:

- Q. What if I don't take the test with my class?  
A. All students are expected to take the final exam with their original class. If for some reason you decide not to take the final exam with your class, you are allowed to make up the exam within your enrollment period. Call the Academy during business hours and schedule a make-up exam. The make-up exam is considered a retest and all retest fees apply. The retesting is held at our main office in Glenview during daytime hours. The charge for a make-up exam is \$25.
- Q. What if I do not pass my final exam?  
A. So long as your score was between 74% and 60%, you are able to retest by calling the ESI Real Estate Academy during office hours. If your score was below 60%, you must retake the portion of the class that you failed before retesting. You have 6 months from the start of your class to complete the final exam successfully, or you will need to retake the course.
- Q. Are there additional fees to retest or retake the real estate class?  
A. Yes. The cost to retest is \$25 for every appointment you make. The cost to retake is \$79 for every class that you are scheduled to take.
- Q. How long do I have to take the state exam?  
A. Your transcript is good for three years or three attempts.
